PETITION FOR RULE MAKING

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 251A to
Maysville, Oklahoma as that community's first local
service. Maysville is an incorporated town with a
population of 1,313 people.¹ Maysville has its own mayor,
post office, zip code, police department, Chief of Police
Scott Ficklin, its own fire department, city hall, school
system and a number of local churches. The proposed
channel 251A will provide additional diversity and an

outlet for local self-expression to Maysville residents and therefore is in the public interest.

Should this petition be granted, and Channel 251A allotted to Maysville, Oklahoma, Petitioner will apply for Channel 251A, and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
